

# The Dehydrator

Presented by

The Duncan Band Boosters

January 5, 2025

The members of The Dehydrator Executive Committee would like to invite you to be a sponsor of the **35th edition** of The Dehydrator. The Dehydrator is the Band Boosters' largest fundraiser and always falls on the last Saturday of July. This year, on July 26th, over 600 cyclists will come to Duncan to participate in what TravelOK.com calls "one of the best rides in Oklahoma". From the starting line at the Simmons Center, our participants ride anywhere from 10 to 80 miles through Stephens County before returning to the Simmons Center for showers and our famous chicken spaghetti lunch. There is a rest station every ten miles along each route. It is a huge undertaking for the Band Boosters and the many volunteers.

The proceeds from The Dehydrator are used by the Duncan Band Boosters to support the Middle School and High School Band programs. Band Boosters use the money that has been raised to pay for things that the school simply cannot afford. This includes cooking and serving meals at marching contests, registration fees, lodging for honor band members, scholarships, instruments, and uniforms. Our band members work hard to support our community, sports programs, and bring accolades to our school system. The Band Boosters also use funds from the Dehydrator to purchase bicycles for the Toy Shop to give to kids in our community.

Please show your pride in these fine young people and be a sponsor today! Your support allows us to run our event at a lower cost, which increases what we are able to do for our band programs and band students which in turn benefits the entire community.

TO BE OUR SPONSOR please send your sponsorship check made out to "Duncan Band Boosters" with the attached form to:  
P.O. Box 314, Duncan, OK 73534.

For sponsorship partners who donate in the silver level and above, you will be eligible to have your logo included on our advertising materials/website and complimentary t-shirts. **Your check must be received by April 26, 2025.** Sponsors are asked to provide clear black and white camera-ready logo for the t-shirts and a color or black and white logo for the website and other advertising materials. **Please email your logo to [duncandehydrator@gmail.com](mailto:duncandehydrator@gmail.com) no later than May 1, 2025.**

If a monetary donation isn't something you're able to do, but would still like to help, we need items to fill our rider gift bags (we call them swag bags). Small items for the bags could be promotional items (pens, keychains, notepads), cycling or exercise related items, coupons, etc. We plan on 600-700 riders participating. For more information, or if you'd like to donate items, please contact Janice Hodges at 580-470-5738.

We thank you for all the support you show our community and look forward to your sponsorship this year. If you have any questions, please feel free to contact us.

Thank you so much!

*The Dehydrator Executive Committee and Duncan Band Boosters*
